1. The Executive Committee will meet at 1:00 p.m.* on Thursday, 22 April, in the DDA Conference Room (7D32) to continue Phase II of this year's long-range planning exercise. Your Interdirectorate Planning Group representatives have been briefed so that they can assist you in preparing for this session.

2. The attached papers on covert action and counterintelligence, prepared by DDO-led Agency-wide teams, will serve as the basis for discussion. You will be asked for your assessment of the papers and your views on the relative priorities the Agency should place on addressing these needs. Again, this will facilitate developing the necessary guidance for our Phase III planning on required capabilities.
